Legal Name: Retrac Inc, dba Think Safe, Inc

Location: 1445 C St SW, Cedar Rapids, Iowa 52404

## COMPANY OVERVIEW

Think Safe is making minutes matter. We specialize in modern & efficient emergency care and preparedness programs. Our First Voice® patented solutions integrate with FDA-approved Automated External Defibrillator (AED) offerings from Stryker, Philips, Zoll, and Defibtech to create lifesaving programs, improving access to training plus ensuring appropriate care is provided during emergencies. Our Certified CPR, AED, First Aid plus related training courses & delivery methods for Red Cross, American Heart Association (AHA) & Health & Safety Institute (HSI) ensure effective training. Our experts design, establish, execute, & administer care/preparedness programs exceeding standards. We source 2,000+ products from AEDs, evacuation/wheel-chairs, first aid/responder kits to medical & trauma supplies. Our full catalog of services/products provide the value of improved skills, more efficiency & better accountability and transparency in your lifesaving programs. Plus, we help you reduce costs and risks with our proven and world-class total program solutions.
