

## Coast Guard Compliance Kit

#CG1

Your Self-contained Emergency Treatment (SET) System can be Coast Guard compliant (160.041-1) by simply adding the Coast Guard Compliant Kit (#CG1)

Coast Guard Compliance Kit adds the following to the pre-packaged supplies of a SET System:

- Waterproof bandages (16)
- 1/8 oz Ophthalmic ointment packets (3)
- Celox Blood Clotting Granules
- Tourniquet
- Rust-proof safety pins (12)
- Ammonia inhalants (10)
- Iodine applicators (10)

*Exceed* requirements with these extras thrown in!

- Digital thermometer
- Burn dressings (4)

Add the Coast Guard Compliant Kit to any rugged SET Systems, such as:

#M3199dt

**Rugged + AED SET System**

#M3199dv

#M3601

**Marine SET System**

#M3101

**Rugged SET System**

**Meets & Exceeds US Coast Guard Compliant 160.041-1**
