

Special Offer from Physio-Control

\$250

REBATE

Trade-in your old AED with a purchase of a LIFEPAK® AED and receive up to a \$250* rebate.

LIFEPAK CR® Plus AED

Featuring the same advanced technology trusted by emergency medical professionals—yet simple to use—the fully automatic LIFEPAK CR Plus AED is designed specifically for the first person to respond to a victim of sudden cardiac arrest.

LIFEPAK® 1000 AED

The rugged LIFEPAK 1000 AED is designed for professional responders. A large, intuitive screen displays graphics and ECG readings. The 1000 also features cprMAX™ technology which minimizes CPR interruptions by allowing compressions to continue during AED charging.

Offered April 25, 2015 through October 31, 2015.

Please fill out the completed AED rebate form with the following information and send to Physio-Control at address below.
